**REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR 1.323**

Attention: Certificate of Correction Branch
Commissioner for Patents

Dear Sir:

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected.

Please add the priority information at section (30) Foreign Application Priority Data
Apr. 10, 2003 (JP) 2003-106312.

In the Specification:

At column 2, line 66, the word "hydrophilic" should be "hydrophobic".

A Request for Certificate of Correction was filed March 11, 2008 changing "hydrophobic" to "hydrophilic", however, after further review, it was found that col. 2, line 66 should, in fact, read "hydrophobic".

The errors were found in the application as filed by applicant. The amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a) is being paid by credit card.

The errors now sought to be corrected are inadvertent typographical errors the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency or credit any overpayment in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 23/2825, under Docket No. K0448.70017US00. A duplicate copy of this paper is enclosed.

Dated: April 29, 2008

Respectfully submitted,

By
